July 2, 2020

Due to recent spikes or increases in our area of positive Covid-19 cases, as of July 6, 2020, all offices in the Archer County Courthouse and Annex will be open for appointments only. Early voting will continue as planned.

Each office is requesting the public to use hand sanitizer before entering and each person to wear a mask to help us protect each other and prevent the continued spread of the virus.

I will make a similar announcement when these restrictions will be lifted or rescinded.

Thanks for your cooperation.
