

ARCHER COUNTY ELECTION'S EMERGENCY PLAN FOR AN EVENT SUCH AS A POWER GRID FAILURE OR LOSS OF INTERNET FOR THE NOVEMBER 5, 2024 GENERAL ELECTION

In an emergency event, where normal electronic voting may not be possible, the Archer County Election Administrator, Christie Mooney, and the Archer County Emergency Management Coordinator, Shane Wright have developed the following plan to ensure that voting will continue in Archer County with the least amount of interruption as possible.

The Archer County Election Administrator has ordered Emergency Paper Ballots for every registered voter in Archer County. If we have to go to a paper ballot voting, we will be prepared.

The Archer County Election Administrator will also provide a Hard Copy paper list of all Archer County Registered Voters to Election poll workers to check in voters at the polling locations. (Voters will still be required to provide a photo ID)

The Archer County Emergency Management Coordinator has also secured emergency generators for each polling location. In an event where these generators will need to be deployed, the locations of polling locations in each city will be moved to the following locations.

ARCHER CITY - Voting will be moved to the Archer County Sheriff's Office Conference room.

HOLLIDAY - Voting will be moved to the Holliday Fire Department

LAKESIDE CITY - Voting will remain at the Lakeside City Community Center

WINDTHORST - Voting will be moved to the Windthorst Fire Department

SCOTLAND - Voters will be asked to go the Windthorst Fire Department

MEGARGEL - Voting will remain at the Megargel City Hall and a generator will be provided by the Archer County Emergency Management Coordinator

**THE CENTRAL COUNTING STATION WILL BE MOVED FROM THE
ARCHER COUNTY COURTHOUSE TO THE ARCHER COUNTY
SHERIFF'S DEPARTMENTS CONFERENCE ROOM.**

ARCHER COUNTY SHERIFF'S DEPUTIES WILL TRANSPORT
PAPER BALLOTS AND ESCORT POLL WORKERS FROM ALL
POLLING LOCATIONS TO THE CENTRAL COUNTING STATION
FOR DELIVERY OF ELECTION MATERIALS.
